

Welcome to Moody! This guide will help you to connect to mbiguest with a 24-hour access account. This wireless network is for guests of Moody Bible Institute only. Students and Staff should use mbiwireless.

Step 1: Connect your computer to the network called *mbiguest*.

Step 2: Open your internet browser and navigate to any page (my.moody.edu for example). You will be redirected to the page shown below. Click **Agree** to agree to Moody's Acceptable Use Policy.

Step 3: After clicking **Agree**, you will see the page below. Click on the **Start** button next to "Guests: 24-hour Internet access without an account."

Step 4: Fill in the information as shown below. If you enter a mobile phone number, you will get a text message with a password. If you only enter an email address, your password will be emailed to you.

Step 5: You may have to wait a few minutes but a password should be sent to your phone via text message and to your email address. If you do not receive it, please call the Support Center at 312-329-4067.

Step 6: Once you have your password you will enter your username (which is your email address) and password.

Step 7: Wait for it...

Step 8: ...and done! Close your browser and re-open it. You will have internet access for 24 hours. If you are on campus for longer than 24 hours, you will need to repeat this process each day you are on campus.
