

Welcome to Moody! This guide will help you to connect to mbiwireless on your **iPhone or other iOS** devices. If you have a different operating system, please refer to its.moody.edu to find the correct guide for your operating system.

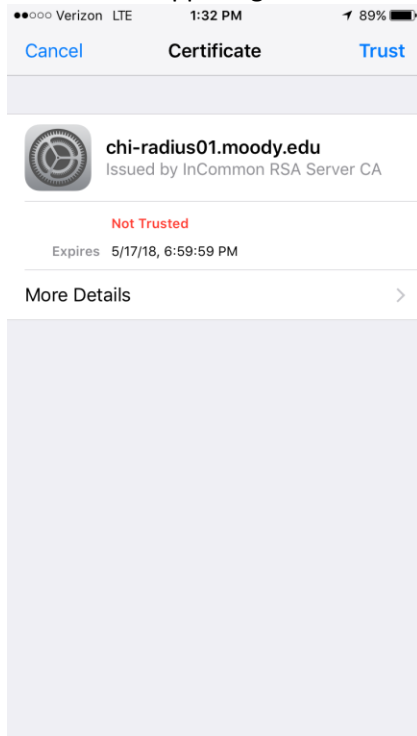

Step 1: Go to Settings and choose **Wi-Fi**. In these settings first ensure that Wi-Fi is switched **ON** (top right), and then select the network called **mbiwireless**.

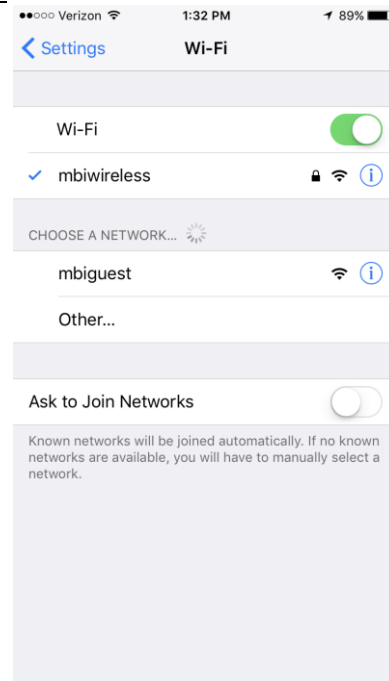

Step 2: Enter your myMoody username and password and tap **Join**.

Step 3: Tap **Trust** in the upper right corner.

Step 5: You will know you have connected properly if **mbiwireless** has a blue checkmark beside it.

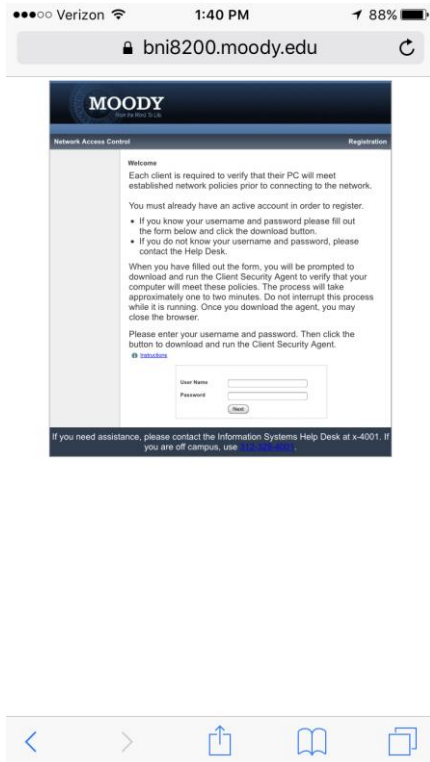

Step 6: Open your internet browser and navigate to any page (my.moody.edu for example). You will be redirected to the page shown below. Tap **Agree** to agree to Moody's Acceptable Use Policy.

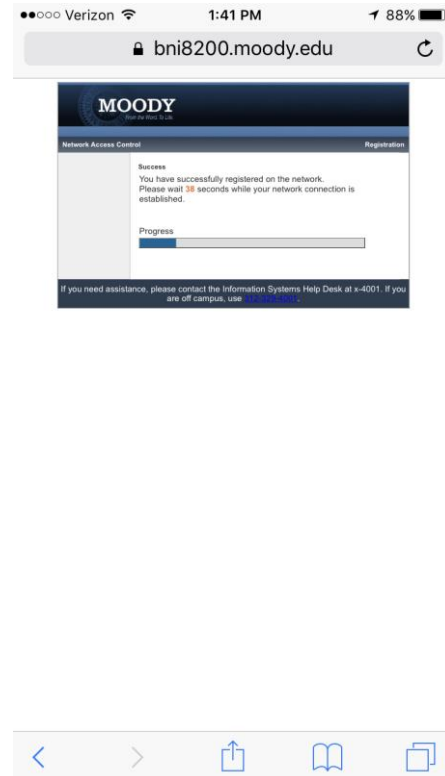

Step 7: Tap **Start**.

Step 8: Enter your myMoody username and password and tap **Next**.

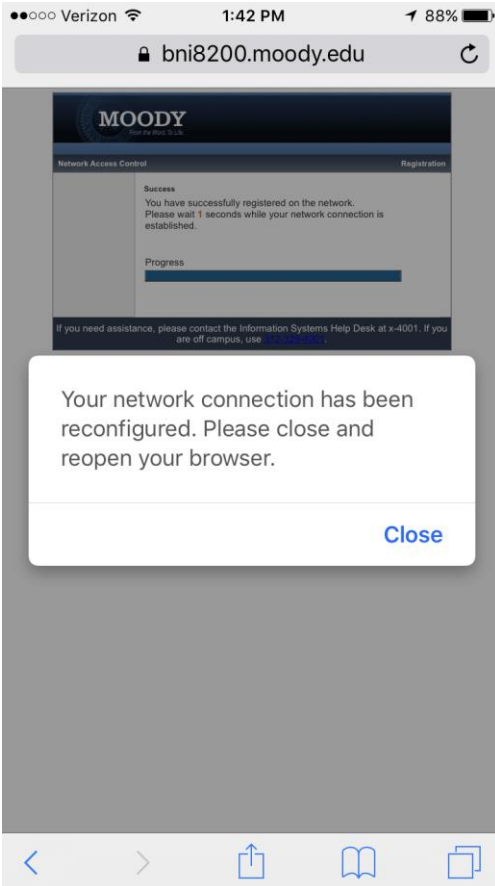

Step 9: Wait for it...

Step 10: ...and done! Tap **Close** and then double tap the Home button and swipe up on Safari to close your browser.

You should be connected to the internet, but if you continue to have any issues, get in touch with ITS at (312) 329-4067 or its@moody.edu
