Welcome to Moody! This guide will help you to connect to mbiwireless on your **Mac OS** devices.

|	
Step 1: Please make sure that Wi-Fi is turned on. Click on the Wi-Fi icon in the upper right and find **mbiwireless** in the list and click on it.	**Step 2:** Enter your myMoody username and password and click **Join**.
Step 3: A **Verify Certificate** box will pop up. Click **Continue**.	**Step 4:** Depending on your computer's settings, this box may appear. If it does not, please continue to step 5. If it does, enter the password that you use to sign in to *your computer* (not myMoody), and click **Update Settings**.
Step 5: Open your internet browser and navigate to any page (my.moody.edu for example). You will be redirected to the page shown below. Click **Agree** to agree to Moody's Acceptable Use Policy.	**Step 6:** Click **Start**.

INFORMATION TECHNOLOGY SERVICES
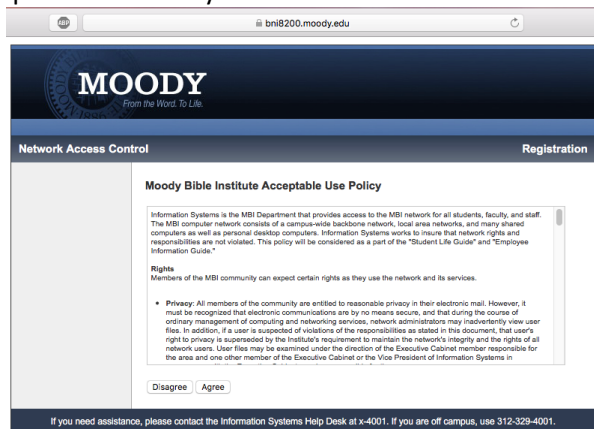

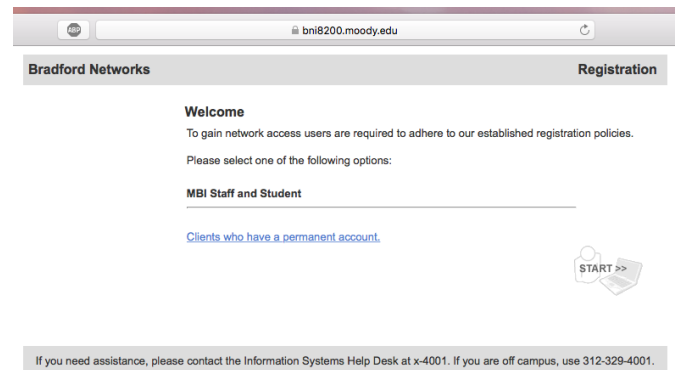

|	
Step 7: Enter your myMoody username and password and click **Next**. Your computer will now download Bradford.	**Step 8:** If you click on **Downloads**, you'll see **Dissolvable Agent.dmg**. Click on it to start the installation.
Step 9: This box will pop up next. Double-click on **Dissolvable Agent**.	**Step 10:** This box will pop up. Click **Open**.
